The apartment has its own entrance; The dark green front door with lion knocker has a beautiful, characteristic appearance. The connecting hall gives access to a practical storage cupboard, the living room and the modern toilet with hand basin. The living room has a lot of atmosphere thanks to the high ceiling and the large window at the front with shutters. The living space is easy to share with a seating area on the street side and a dining table by the kitchen. The kitchen meets all your needs: a surprising amount of storage space and with all necessary equipment a gas hob with extractor hood, a fridge, freezer and a combi microwave. Near the kitchen is a cupboard with the washer / dryer. Finally the bedroom with adjoining open bathroom; here you experience peace and privacy. The bedroom has a large, electrically operated Velux roof window; the bathroom has a walk-in shower and a sink. The colors and materials are of high quality and the colors timelessly beautiful.
