Description

Rijswijkseweg 63, Den Haag

Well-maintained, spacious 3-room apartment (approx. 90 m² living space) on the 4th floor with a separate storage unit and a parking space in the basement.

This practically laid-out apartment is located near The Hague University of Applied Sciences and features two spacious bedrooms and a front and rear balcony (approx. 9 and 10 m² respectively).

The location is ideal. Hollands Spoor station is within walking distance, as is the city center. Naturally, it offers excellent accessibility with several tram and bus stops nearby. Furthermore, the apartment is conveniently located near several major roads, such as the A4, A12, and A13, making cities like Rotterdam, Amsterdam, and Utrecht easily accessible.

The apartment features solid finishes and two well-sized bedrooms.

The pleasant and spacious living room opens onto the front balcony with a beautiful view of the city center skyline. There is also a spacious kitchen/diner equipped with some built-in appliances, space for a (breakfast) table, and access to the sunny rear balcony.

Layout: (See floor plan for dimensions)

Shared, secure entrance with mailboxes and doorbells. Elevator or stairs to the 4th (top) floor, where you can access the apartment. A hallway provides access to all rooms. The living room is located at the front and opens onto the northeast-facing front balcony. The kitchen is located at the rear. The kitchen provides access to the second southwest-facing balcony. The two bedrooms are located at the rear and are bright and spacious. The bathroom adjoining the living room is equipped with a shower and a sink.

Both the bathroom and the storage room have a washing machine connection.

The living and sleeping areas feature neat laminate flooring.
